## 2018 PRESIDENT'S AWARD

32 year old Dimpalben Tarunbhai (Degama, Forest Gate), came to the UK from Navsari/Lakhanpore and married nearly 10 years ago. She, Tarunbhai Jayantibhai and their two children have lived with and cared for her in-laws throughout that time. This includes pausing her career and becoming the main carer for her mother-in-law (Savitaben Jayantibhai) during the last 12 months of her life, due to bowel cancer.

Dimpalben, as well as becoming a legend in the kitchen, has been the selfless anchor of the extended family and strong for everyone around her.

Her extended family spoke and applauded her at the Diwali show when she won the award.

We wish her and her family all the best for the future.

# Kids Xmas Party 2018

## Kids Christmas Outing

Our Kids Christmas family fun was with some special jumps and trampolining this year. We held it at Oxygen Free Jumping in Park Royal and we had over 30 kids and adults participating in the fun. The day was full of jumping and trampolining in the park (all indoors), followed by an after party of food, drinks and dessert for all.

Thanks  
LPSOL Committee.

The day ended with some age-specific Christmas presents for all the children who took part. Overall a great day for the family. We plan to do an event for the kids and families again this year. Any ideas are welcome, please let Anand, Tiku or Shaylesh know.

## DINNER N DANCE (in aid of 'Missing People')

So another memorable dinner & dance has come & gone for 2019. As always all our guests went all out to really bring the 'Great Gatsby' theme alive.

We changed the format slightly so that there was more flow and lots more dancing! And boy do we love to dance at these events!

*The main reason behind this event every year is to try and raise money for charity and this year's chosen charity was 'Missing People'. There was pin drop silence as Shaylesh (president) told his emotional story of why this charity means so much to him.*

*I think it really touched people as they imagined how they would cope if one of their loved ones suddenly went missing with no trace and still not found many years later. So while the event is always so much fun, we still managed to do something important at the same time and raised £1,501.*

There were a few sore heads the next morning, but that's the sign of a great night, right?!

If you weren't there this year, keep an eye out for next year's date and put it in your diaries!

## Diwali Show 2018

Another successful event by the LPSOL was the Diwali show held at Oakington Manor on Saturday 17th November. Over 250 members and friends attended the event which showed great support for the Samaj. People clearly enjoy these family events and LPSOL has delivered once again, and will continue to do so.

We have had some very positive feedback on the entertainment, food, decor and format of the show. We appreciate all the help and support provided on the day behind the scenes and also before, during and after the show. We had sold only 150 tickets a week before the Diwali show and by making a few phone calls to remind people, we sold 100 tickets in the next week. We would like to request everyone to remind and encourage family members and friends to attend shows like this so that we can continue to enjoy bigger and better events like Diwali & Navratri.

Thanks to event sponsor Barclays Bank

The Samaj is about bringing people together. Its events like this which reinforce our core values. LPSOL continues to promote this with our upcoming events.....

## 1st Young Professional Networking event in the City

On Thursday 7th February 2019, LPSOL held its first ever Young Professionals Social Event in central London.

The event was aimed at working professionals across our samaj and provided an opportunity to network and build new connections. Food and drink was laid on at a bar opposite the Gherkin with over 30 people attending.

It was pleasing to see such a diverse group of individuals, across all ages, come together and talk about what they currently do for a living. Attendees including bankers, doctors, lawyers, consultants, wedding planners and many more. The attendees also provided valuable input into forthcoming events in 2019 and we very much hope to organise similar events in the future.

*Hello, my name is Alisha, helping on behalf of the committee for the Hot Topics event. With over 100,000 Leuva's, we are so excited to be launching a platform for professionals and business owners within our group to enhance our talent within the community.*

*You may be looking for a new job or to advertise your business. You may even be looking for a Designer (Credit to Dineshbhai who designs our newsletters) or someone to do your website. From Makeup artist to Nutritionist. The number of businesses that you can access on our group will certainly add value, and we hope you enjoy being part of this Group.*

*Please also search for your needs in the group. We have a wealth of knowledge and experience between all members and this is an empowering group to be part of. Most of all enjoy and contribute!! So, let's get started! Anyone who would like to post please feel free to do so and I will approve the posts.*

*Please note our group is for everyone in our community, there is no favouritism. However I do ask you refer to the rules for the group for the posts :-)  
For any further questions drop me an email on [askalishy@gmail.com](mailto:askalishy@gmail.com)*

## General Data Protection Regulation – GDPR

### LPSoL GDPR

Dear Members,

In May 2018, you might have heard about the new General Data Protection Regulation – or GDPR for short. We at LPSOL haven't forgotten or even omitted GDPR but actually wanted to ensure we did all we could in line with the Membermojo team to get it right because it's important.

We want to make sure you are aware of the changes to the law as a result of GDPR. You don't need to do anything, but you can find lots of useful information about your rights and how we process your data by reading below to help with your understanding. You can also find our Privacy Policy on our website [www.londonsamaj.com](http://www.londonsamaj.com).

LPSoL use a Membership database provider called Membermojo who provide online membership services. In data protection terms Membermojo are the data processor for LPSOL's member data, and LPSOL is the data controller. Membermojo provide the tools and controls that help implement GDPR compliant privacy policy for managing personal member data.

This includes:

- What personal data is stored – This is defined in the membership form that is held for LPSOL.
- Where data is stored - All servers and backups are hosted in secure UK facilities.
- How data is protected - Membermojo provide security and access controls for your member data.
- How long data is kept for – This is defined by LPSOL. Personal data is retained for the length that the membership is active + a further 2 years. Post this period full deletion is automated.

Functions are provided through the Membermojo LPSOL website that assist members to exercise individual rights under GDPR.

- Right to access - Members can sign in to view their own personal data which they fully control.
- Right to rectification - Members can sign in and amend their own personal data.
- Right to Erasure – Upon request from members, administrators can securely delete personal data for members requesting their data be erased. Erasing a member will remove their member record and anonymise any activity, attendance and payment records.

What are my rights under GDPR?

You have the right to know what information we hold about you and to tell us what information we can and cannot use.

This is a short summary of your rights.

- Accurate information - If you think we have incorrect information about you, you can either login to your Membermojo page via <http://www.membermojo.co.uk/londonsamaj> or simply send us an email at [membership@londonsamaj.com](mailto:membership@londonsamaj.com) and let us know so we can correct it.
- See what information we hold about you - To view the information we hold, you can either login to your Membermojo page via <http://www.membermojo.co.uk/londonsamaj> where everything is displayed about you or if you want full transactional history on your activity simply drop us an email at [membership@londonsamaj.com](mailto:membership@londonsamaj.com) and we will be more than happy to provide exactly what we hold.
- Request that we restrict, stop using or erase your personal data – When you make a request, we have to consider whether your personal data is still needed to provide our services, to comply with our legal and regulatory requirements, or if we have a legitimate interest in continuing to use the data. We will inform you of the decision in line with the charity commission requirements post you making a request.
- Opt out of Newsletter, marketing, information/updates - Simply send us an email at [membership@londonsamaj.com](mailto:membership@londonsamaj.com) and we will stop sending you updates either via Email, Post or both if requested.
- Withdraw your consent- Sometimes we need your consent to process your data. If you have given consent, you can change your mind and withdraw it. (Except for information the law says we can or must process).

We hope this content has been useful and furthermore prove just how serious we are about protecting your data.

Should you have any further questions or queries, please send an email to [Membership@londonsamaj.com](mailto:Membership@londonsamaj.com) or speak to any committee member who will pass your query to the membership or secretary teams.

Thanks  
LPSOL Membership Team
