The Tiny Smiling Faces Foundation thanks you for your donation. It is thanks to generous donations by our wonderful supporters that we are able to improve the conditions of government run schools in India and provide these underprivileged children with a better learning environment. We have thus far been able to make many magnificent changes such as providing each student with uniforms and school supplies, implementing breakfast programs, organizing annual field trips, and other school events.

Starting this year, because of our success thus far, our organization has been trusted with helping 23 additional village schools, totaling 4000+ students. Thanks to your generous donation we hope to expand our efforts, and support these schools. For more information about Tiny Smiling Faces we encourage you to visit our website, [www.tinysmilingfaces.org](http://www.tinysmilingfaces.org).

Thank you again, and we look forward to your continued support.

Sincerely,
